

Sec. 20-11. Use of roller skates, toy vehicles, etc., on streets and multi-purpose pathways.

- (a) No person on or operating, riding in, on or by means of any coaster, toy vehicle, off road vehicle, whether motorized or not, shall go upon any street, highway, or roadway except to cross at a designated crosswalk or at a street intersection.
- (b) No motorized vehicle shall be allowed to operate, park or be left standing on any portion of a multi-purpose pathway.
- (c) No person on or operating, riding in, on or by means of any coaster, toy vehicle, off road vehicle, roller skates, in line skates or skate board, whether motorized or not, shall go upon the sidewalks and public vehicular areas of any shopping center or business complex.
- (d) Except upon a multi-purpose pathway, no person on or upon any roller skates, in line skates or skate boards shall go upon any portion of U. S. Highway 158 or N. C. Highway 12 except to cross at a designated crosswalk or at a street intersection.
- (e) Operating, riding in, on or by means of any roller skates, in line skates, or skate board between the hours of sunset and sunrise upon any street, highway, or roadway or multi-purpose path must have a white light illuminated at all times.
- (f) No person shall use any roller skates, in line skates or skate board in an unsafe or reckless manner at any time.
