

Sec. 20-149. Parking permit.

- (a) As an exception to section 20-148, vehicles bearing current town parking permit stickers may park in designated town parking areas. This in no way modifies existing or future sign prohibiting parking completely or limiting parking in certain areas.

- (b) When parking on shoulders, vehicles must not impede two-way traffic.

- (c) All efforts will be made to utilize grassy areas on the shoulders and not to destroy natural shrubbery.

- (d) Parking that blocks driveways, fire hydrants or an intersection is strictly forbidden.
